Letters to Daddy™

An amazing musical that engages kids with inspirational songs that offer positive and empowering messages.

Letters To Daddy™ is focused on showing kids how thoughts influence actions and actions influence outcomes.

This character building program brings a variety of life issues, such as bullying and self-esteem, to the surface through the eyes of children and offers them positive, comfortable ways to work through these challenges.

Hear what the kids are saying...

“...it gets to my heart.”

“..makes me feel better when
I feel down.”

“..makes me forget to complain.”

“The music gets stuck in my head but
I like when it gets stuck there.”
