Dear Will,

As Managing Director of the Orange County Business Accelerator I reaffirm our strong support and esteem for 4e Productions. First as an Associate Client, and then as Resident Client of our incubator at Stewart International Airport in New Windsor.... Bill, John, Debbie and the rest of "Team 4e" have demonstrated an authentic commitment to Orange County and community collaboration.

Their initiative to bring "Letters to Daddy" to Orange County will greatly enhance children, families and the community at large. The core philosophy (a balance of entertainment and education to create original, values-rich programs) is a unique and compelling business model. The passion and compassion... the ideas and ideals will create a caring culture and will make a difference for all of us.

OCBA supports 4e Productions and "Letters to Daddy" and will continue to enhance and assist this inspirational effort and bring it home to great success!

Sincerely,

Michael J. DiTullo
Managing Director
